Volunteering \ Girlguiding UK

I spent seven years helping at a local Brownie unit each week. I gained confidence communicating and collaborating, and developed time management skills. I thoroughly enjoyed the experience and appreciate having had the opportunity to give back to a charity which gave me great opportunities when I was younger.

Awards and Achievements

Boroughmuir Highschool \ Award for excellence	2018
City of Edinburgh Council \ Paolozzi Prize Nominee	2017
Girlguiding \ Young Leader Qualification	2017
Girlguiding \ Baden Powell Award	2016

Proficient Software Competencies

AutoCad \ Adobe Suite \ Rhino 3D \ Office Suite \ Revit

Additional Architectural Work

- MArch Catalogue Editor
ESALA, University of Edinburgh 2024
Compilation of works created in the Radical Harvest MArch Studio from each student, completed with one peer, coordinated with course organiser to ensure printing and delivery to strict schedule for degree show.
- 40 Years Booklet Editor
Benjamin Tindall Architects 2022
Compilation of a celebratory booklet of over 160 pages, with a selection of works from the practice, distributed to guests at an anniversary event. Responsible for content, graphics, and organisation for printing and delivery to event schedule.
- Exhibition Attendant 2021
Edinburgh Architectural Association
SpACE is the Space for Architecture, Carbon and Environment. Exhibition attendant at it's first pop-up public exhibition in Edinburgh that addressed the climate emergency and how the built environment affects it.

Selected Reports and Written Work

- Softscapes: Cultures of Recursive Nesting. 2025
Design Report for MArch 2 Thesis Project
A curated, physical document, addressing and reflecting upon key methodologies explored throughout the associated design project.
- Optimising the CobBauge Earth Construction Technique by Testing Alternative Fibres Which are Otherwise a Waste Byproduct. 2023
Firsthand Research Report for MArch 1, Architectural Technology Research
An iterative firsthand creation of mass earth and light earth blocks, and testing for strength, heat retention, and durability to determine suitable alternative material options for a composite earth block.
- Vernacular Reinvention and Retention on Islands: The shift in vernacular design thinking in the climatic contexts of the Hebrides and Cyclades. 2022
Dissertation for MA (Hons) Architecture
A study of traditional dwellings and their response to opposing climatic conditions, and comparison against modern techniques for suitable passive design strategies which retain regional architectural identity.
